

Salt Dough Halloween Decorations

Ingredients

250 g Plain flour

125 g salt

125 ml water

Method

1. Preheat the oven to its lowest setting and line a baking sheet with baking parchment.
2. Mix the flour and salt in a large bowl. Add the water and stir until it comes together into a ball.
3. Transfer the dough to a floured work surface and shape into your chosen model. You can roll it out and cut out your Halloween shapes, using biscuit cutters, or make any kind of model you can think of. You can use a knife with a grown-up to create your own shapes too.
4. Put your finished items on the lined baking sheet and bake for 3 hrs or until solid.
5. Leave to cool and then paint in your favourite colours.
6. When painted and dried, add string and hang up around the house!
