

# PIRATE JACK

A patch covered eye,  
a jaunty hat,  
a grizzled beard –  
The Fierce Pirate Jack!

He sails the sea,  
until he spies land.  
The anchor is dropped by  
The Fierce Pirate Jack!

Then onto the island,  
to search for the gold.  
And dig up the treasure for  
Fierce Pirate Jack!

Back on board ship,  
the anchor is up!  
The big ship sails off  
With The Fierce Pirate Jack!
